June 24th Arizona Camp Sunrise

Arizona Camp Sunrise and Sunrise Sidekicks offer special programs for children who have or have had cancer, and their brothers and sisters. Fun is the main goal of our programs, with the special needs and safety of those children our top priority.

July 1st Induction of Officers

June is Rotary Fellowships Month.

The Rotary Fellowships program fosters international fellowship, friendship, and service among Rotarian interest groups. You can connect with Rotarians in other areas of the world who have similar hobbies or interests, share ideas and develop service projects. Join an existing Global Networking Group or start your own, and then tell your fellowship stories at club meetings.

Join a Rotary Fellowship

The International Fellowship of Rotarian Musicians isn't the only show in town. There are more than 80 Rotary Fellowships. From sports and hobbies to professional interests, these groups draw members from around the world. They're just one more way Rotarians are promoting international fellowship, friendship, and service.

Here is a quick look at four Rotary Fellowships. To see a complete list, go to www.rotary.org, Click on "Media & News", then click on *Join a Rotary Fellowship*. Finally Click on *Global Networking Groups database*.
