Service Above Self

June 24th 2008

Arizona Camp Sunrise

Upcoming Meetings:

June 24th Arizona Camp Sunrise

Arizona Camp Sunrise and Sunrise Sidekicks offer special programs for children who have or have had cancer, and their brothers and sisters. Fun is the main goal of our programs, with the special needs and safety of those children our top priority.

July 1st Induction of Officers

Rotary Convention 2008

This year only one of our members attended the Convention in Los Angeles. Miki and Ken Dzugan went primarily because Ken's interest in literacy was captured with the effort of Rotary to set a record for the number of books that could be donated.

Photo to the left shows a stack of book boxes representing the number of books the convention hoped to collect.

The goal was made with the help of a donation of 110 books by the Dzugans, which will be credited to the Rotary Club of Sedona.

You can see the photos taken at the convention at

ICE - "In Case of Emergency"

The following was received as an E-Mail. I do not know if it is real or not (Hank).
I have not had time to check with the Fire Department.

We all carry our mobile phones with names and numbers stored in the memory, but nobody, other than ourselves, knows which of these numbers belong to our closest family or friends.

If we were to be involved in an accident or were taken ill, the people attending us would have our mobile phone but wouldn't know who to call. Yes, there are hundreds of numbers stored but which one is the contact person in case of an emergency? Hence the "ICE" (In Case of Emergency) Campaign
The concept behind "ICE" is simple and it is catching on quickly. It is a method of contact during emergency situations. As mobile phones are carried by the majority of the population, all you need to do is store the number of a contact person or persons who should be contacted during emergency under the name "ICE" (In Case Of Emergency).

The idea was thought up by a paramedic who found that when he went to the scenes of accidents, there were always mobile phones with patients, but they didn't know which number to call. He therefore thought that it would be a good idea if there was a nationally recognized name for this purpose. In an emergency situation, Emergency Service personnel and hospital Staff would be able to quickly contact the right person by simply dialing the number you have stored as "ICE."

For more than one contact name simply enter ICE1, ICE2 and ICE3 etc.
