Rotary Foundation Approaches Second Century...

In anticipation of the Rotary Foundation's 100-year anniversary in 2017, the Trustees set out to develop a plan to move the Foundation toward its second century of service.

There is now a Future Vision Plan which is meant to create a more effective and efficient way to help, "....develop diverse projects with greater impact and sustainable outcomes".

The (new) mission of the Rotary Foundation is: To enable Rotarians to advance world understanding, goodwill, and peace through improvement of health, the support of education, and the alleviation of poverty.

It is time to reform a new Foundation Committee. Please see **Merv Shapan** if you are interested in participating on the committee.

Rotarians in Action...

Last week Rotarians rallied to support two Club projects. **Gary Karademos** ordered pizza and glue guns to help Rotarians **Merv Shapan, Dave Young, Dick Levy, Eddie Passov, Renata and Richard Barnwell** add 260 Rotary Flags to our Club Banners.

Chef **Renata Barnwell** welcomed the Australian GSE team and twelve Rotarians to her home for a sumptuous pot luck buffet. This event culminated the four member team's 24 hour whirlwind tour of the Red Rocks of Sedona.
