Club Supports Water Project...

The Board recently approved **Catherine Moore's** request for \$1,000 to support the District 5490 Kenyan Water Project.

Other clubs in the district are also providing funds to support this \$80,000 international project. Our Club serves as the project's "host club" to collect all "Water is Life" District contributions.

Attendance Rules of the Road...

Active Rotarians must attend or make up at least 60% of regular Club meetings in each half of the year and they must attend at least 30% of the Club's regular meetings in each half of the year. Contact Secretary **Chuck Marr** with make ups or attendance questions at cmarr2@cox.net.
