Rotarians "Fill the Gap"...

"Filling the Gap" is District 5490 District Governor **Jeanie Morgan's** motto for this Rotary Year. Addressing both Sedona Rotary Clubs, Jeanie noted that successful Rotary Clubs "fill the gap" in their respective communities by helping youth and the underserved.

"...in our lives, when we have piled up too much in material things...we realize that we want to give back to others", she stated. She encouraged Sedona Rotarians to continue their successful community outreach activities to make a real difference in the lives of others.

Jeanie was joined by Rotarians for a reception at the home of **Renata and Richard Barnwell**. She presented Renata with the District Governor's "Filling the Gap" Achievement Award to recognize the many contributions Renata has made to the Club and

her community. Congratulations Renata!
